Description:

This book is intended for anyone who is interested in preparing his or her own will or of obtaining a grant of representation (probate or letters of administration). In addition students, in particular, can use it to prepare for their examinations in the law of succession and related areas. It can serve at least as a revision text for such a purpose. Also, legal practitioners, among others, may find this book useful as a quick source of information. The many examples of wills included in the book can be used as precedents in the drafting of wills while the coverage in other areas can serve as a guide on particular topics, such as intestacy, lasting power of attorney, inheritance tax, estate administration, trusts, powers of appointment and the taxation of trusts..
